

**Jenna Dhayer, President**

Thank you for inviting me to serve alongside you in providing care, education and respite for those living with memory loss and other challenges of aging. Our work is driven by the passion of others to serve those in need.

At **CarePartners** we simply could not do what we do without the dedication and enthusiasm from our 2,400+ volunteers. THANK YOU for choosing to volunteer for **CarePartners** through your congregation. You impact lives daily and affect lives permanently.

*“I believe that every human mind feels pleasure in doing good to another.”*

– Thomas Jefferson

## CarePartners Re-Branding – *Same Great Programs New Look to Name*

For over 30 years we have been “creating caring communities” by partnering with Christian & Jewish congregations. Because of your dedication to serving others, we are able to serve thousands of people living with memory loss and other challenges due to aging. In an effort to continue an inclusive environment for our carepartners, caregivers, congregations and volunteers we removed Interfaith from our organization’s name. Regardless of the background of the persons we serve, everyone can be a part of a CarePartners program. We will be focusing on creating awareness to support the incredible work accomplished through our collaborative partnerships in the coming months. Thank you for your support as we continue to build our CarePartners brand.

## VOLUNTEERS IN ACTION

“What would we do without our volunteers? We love you all. You provide a vital service for our guests in so many different ways. And you do it with such unassuming and loving care. You have fun in giving and the guests have fun in receiving. Mutual partnership is the basis for the successful leadership of the ministry.”

The Rev Gill Keyworth

Gayle Lynn Talley – CareTeam member at St. Paul's Episcopal with carepartner, Ann Bloxsom - "bobbing for apples".

## WELCOME
